## Thanksgiving Game – “Alphabet Thanks”

*(Ages 4-7...but could be adapted)*

Make your young guests feel special when Thanksgiving dinner is served atop a custom-made tablecloth they designed. Break out the color crayons, or markers, and allow each child to draw their own artwork depicting a thankful day. Later, play a game of "Alphabet Thanks," where children draw from a bowl of letters, and then tell God thanks for something that begins with the letter they picked.

## Songs

## Food Ideas:

### **Blessing Mix**

*Each ingredient in this snack mix symbolizes something associated with Thanksgiving.*

- 2 cups Bugles brand corn snacks - shaped as a cornucopia, a horn of plenty.
- 2 cups pretzels - represent arms folded in thanks and prayer.
- 1 cup candy corn - during the first winter, the Pilgrims were each allotted only 5 kernels of corn per day because food was so scarce.
- 1 cup dried or candy fruits - Thanksgiving is the celebration of the harvest.
- 1 cup peanuts or sunflower seeds - seeds represent the potential of a bounteous harvest for the next season if they are planted and well tended.

In a large bowl mix all ingredients together. Other ingredients such as dry cereals, candies, or marshmallows can also be added. Make this mix as a family and eat while discussing each ingredient and how it relates to Thanksgiving.
